TERMS AND CONDITIONS

FUNERAL BENEFITS:

The funeral plan provides for a cash payment of a death claim of a Principal member, who can cover him/herself, up to two (2) spouses and children (stillborn to 21 years). If communal cover is selected, all insured persons must be residents of the participating community (township or village), they must have a letter from the community leader at claim stage and the funeral must be in that participating community. It is a requirement of AFI's cover that the community leader verifies the residency status of joining principal members and dependants upon entry.

INSURED PERSONS DEFINITIONS:

Principal Member: any individual who is 18 years and not older than 84 years upon entry, who is allowed to participate in the policy.

Spouse: a person married to the Principal member by law or tribal custom or under the tenets of any Asian religion, including a Common Law Spouse (a person who is deemed by AFI, at its sole discretion, to be a spouse, considering the circumstances of each case, and shall include, where applicable, customary marriages, or a relationship between two people of the same gender, or a relationship between two people who have lived together for at least six consecutive months prior to the date of death of the Spouse) of the Principal member. A Spouse may not be older than the maximum entry age of 89 years depending on the age band of the Principal Member. Only a maximum of two Spouses may be covered.

Children: an unmarried child of the Principal member, aged 21 years and below (when children turn 22 years old they will have to be covered as extended family members or have their own policies unless they are studying full-time (proof is required) in which case they can be covered until the end of their 25th birthday), including a stepchild, posthumous child, an illegitimate child, a legally adopted child or a stillborn child (must be stillborn from the 26th week of pregnancy). Only 2 stillbirth claims will be accepted during the term of the Policy. **NB:** Stillborn benefits are only payable to Principal members who are the biological parents of the Child.

TERMS AND CONDITIONS:

- Each Principal member must complete an application form choosing his/her spouse/s and children at inception.
- Cover starts on the first day of the month following receipt of a fully completed application form and receipt of the first premium by Safrican.
- Benefits end upon the death of Principal member, non-payment of premiums (subject to the Grace Period), or withdrawal from the Plan by the Principal Member, whichever event may occur first.
- Adding of additional spouse or children is not allowed unless the Principal member has a life changing event (e.g. birth, legal adoption, and marriage).
- Claims where the cause of death is suicide in respect of the Principal member, spouse/s or children will not be subjected to any exclusion and shall be paid provided all other terms and conditions of cover in terms of policy are met.
- Premiums are paid up to death.

- Spouses may continue with the policy upon the death of the Principal member and Children above 18 years may have a new policy upon the death of their parents.
- These terms and conditions on the application form are non-exhaustive and the policyholder is entitled to be provided, on request, with a copy of the Policy Document.

DUPLICATE COVER:

Participants (Principal member, Spouse/s and Children) are allowed to be duplicated on the AFI scheme provided their cover does not exceed R 60 000 aggregate.

GRACE PERIOD:

- A one month grace period is allowed should a premium be missed once the policy is in force. If the missed premium is not paid together with the following months premium the cover will cease without further notice and a new waiting period will be applied should the policy be re-instated.
- Where any premium payment is missed and thereafter paid, the part of the waiting period not completed at the point when the premium was not paid, will apply from the date the premium is paid.

WAITING PERIODS:

- From the start date of cover and when additional members are added to the policy there is a **six (6) months** waiting period for all persons insured under the policy who are less than age 75 years and a **twelve (12) months** waiting period for all persons insured under the policy who are age 75 years and older for claims due to natural causes.
- There is no waiting period for unnatural causes of death.
- When adding additional amount of cover, the six (6) or twelve (12) months waiting period will only apply to the additional amount of cover taken.
- No waiting period applies for those children who take out a new policy should their parents pass away or children who take out new policies when they are above the maximum age.

EXCLUSIONS:

No benefit will be paid if death is directly or indirectly caused by or attributable to:

- Terrorism, riots or war (whether declared or not).
- Radioactive contamination.

COOLING OFF PERIOD:

The Principal member has a 30 day cooling off period from receipt of this document to examine the policy. Provided that no death or claim has taken place in this period, he/she must inform AFI in writing if he/she chooses not to take up the policy. All premiums already paid will be refunded, less the cost of any risk cover.

PREMIUM COLLECTION METHOD:

Cash and debit order payments only. Debit order form to be completed.

SURRENDER VALUES, CESSION AND LOANS:

This policy has no surrender value and may not be ceded or pledged in any way. No loans will be granted against this policy.
